

UMPIRE PAY GUIDELINE for slow pitch and fast pitch softball (4/11/16)

\$30.00 per game/slow pitch – 1 hour 15 minute time limit for all games

\$40.00 per game/fast pitch (except 8U, \$30.00/game) – 1 hour 20 minute time limit for all games

SHOW UP PAY:

Anytime an umpire shows up for a game and it is cancelled for any reason, before the first inning is complete (rain, thunder, heat, or not enough players) the umpire gets \$15.00 if that is the only game scheduled at that playground that night. If the first inning is complete, the umpire gets full pay for that game

Make-up games are to finished where the game left off and the umpire gets full pay for the make-up game.

If the first game is cancelled and the umpire is there to ump that game and the remaining games are still to be played, then the umpire get paid in full for the first game as well as any additional games that night. If the umpire is told the first game was cancelled and the umpire doesn't show up until the second games, then the umpire will only be paid for the games he umps.

If the second game of a triple header is cancelled for any reason and the umpire did the first and third game, then the umpire will be paid in full for all 3 games.

If the last game is cancelled for any reason and the umpire has already completed at least one game that night, then the umpire does not get paid for the late game that was cancelled.
