COURT DATE: 07/24/2018

Daviness County Fiscal Court solicited bids for a new or rebuilt drive unit for a Volvo EC300E at the West Daviness County Landfill.

Participants	Bid items						
	New/ Rebuilt	Exceptions	Total Bid Price	Potential Core Credit	Net Bid Price	Installation	Warranty Description
Rudd Equipment	Rebuilt	No	\$29,097.86	(\$8,691.29)	\$20,406.57	By Vendor	12mo/2500 hr PT
Rudd Equipment	Rebuilt	No	\$26,487.39	(\$8,691.29)	\$17,796.10	By County	6mo/1500 hr PT
Woodland Power	Rebuilt	Yes	\$17,500.00	\$0.00	\$17,500.00	By County	No Warranty Offered

Notes: The low bid's exceptions were far outside the range of what the County deems acceptable. The potential core credit would be determined after Volvo has accepted and inspected the old core. There are no guarantees to this credit in the event our core is severely damaged.

Recommendation: Rudd Equipment

Daviness County Fiscal Court received three (3) bids. Rudd Equipment is the best evaluated bid, having no exceptions to the bid documentation. It is our recommendation to award Bid No. 23-2018 to Rudd Equipment for the rebuilt unit to be installed by the County in the amount of \$26,487.39.

Respectfully,

Jordan Johnson, Purchasing
Bryan Collins, Heavy Equipment Mechanic
Robbie Hocker, Department Head of Solid Waste
