

Leslie A. McCarty
Daviness County Clerk

June 15, 2020

TO: ATTORNEYS, TITLE COMPANIES, FINANCIAL LENDERS & TITLE SEARCHERS

The 2019 Delinquent Tax Bills have just been turned over on June 1, 2020 to our office. As you know March 6, 2020, we changed delinquent tax program vendors. We wanted to take a moment and try to explain the DTAX program by Software Management to help assist you in any tax searches or finding bill redemption amounts.

Under DTAX you will only be able to see the delinquent tax bills that are unpaid, or collected by the County Clerk's office. Any paid bills that never turned delinquent will need to be searched using the Sheriff's Office program, Tax Master. You can search this site at: www.dcsdky.com.

As with our previous programs you have various options on how you can conduct a search

Ways you can search by:

Taxpayer / Property Owners Name

(An example for this: SMITH JOHN - no commas between the names)

Long parcel numbers

Property addresses

Tax Year & Bill Number

As with our previous vendor, Tax Master, you will have access to online searches using the ECCLIX program, through Software Management. You can access this by going to: www.daviesscountyclerk.org

We hope that after using the DTAX program you will find it easier to use. As always, we appreciate your time and patience with us. Please let us know if you have any further questions or concerns regarding the new system.

Thank You
