

## 2022 "Trash for Cash" Program

Daviess County is accepting applications beginning November 1, 2021 from nonprofit groups interested in turning roadside trash into cash for the calendar year 2022

Approved applicants will receive a minimum of \$100 per centerline mile of roads cleaned. The dollar amount and miles will be determined by state grant funds and by the number of Daviess County applicants.

Money for the program comes from the state's "environmental remediation fee" of \$1.75 per ton of garbage hauled to the county landfill & transfer station.
