

2023 Trash for Cash Program Registration

Daviess County is accepting applications from non-profit groups interested in turning roadside trash into cash for the 2023 calendar year.

Approved applicants will receive a minimum of \$100 per centerline mile of roads cleaned. The total dollar amount is determined by the Energy & Environment Cabinet's Division of Waste Management.

Program funding is derived from the Kentucky Environmental Remediation Fee of \$1.75 per ton of waste received at the Landfill & Transfer Station.

In order to participate in the program, your organization must be from Daviess County, Kentucky and a federally recognized 501 (c) (3) not-for-profit.

To apply, download the application at daviessky.org. Applications must be received by January 3, 2023.
